

U.S. ARMY FORT MOORE
The Maneuver Center of Excellence

Summit is one of four small business primes on this \$207M Multiple Award Task Order Contract (MATOC)-Indefinite Delivery/Indefinite Quantity (IDIQ). As one of eight TRADOC Centers of Excellence, MCoE works in concert with TRADOC's mission to develop, educate, and train Soldiers, civilians, and leaders; support unit

training; and design, build, and integrate a versatile mix of capabilities, formations, and equipment to strengthen the U.S. Army as America's force of decisive action.

The main objective of this contract is to support the MCoE's mission by providing general technical, analytical, and operational support through the integration of virtual, constructive, and in-person training; exploitation of existing and emerging technologies; and, training, doctrine, and capability development to the U.S. Army Infantry School, U.S. Army Armor School, U.S. Army Aviation Center, MCoE and Aviation Capability Development and Integration Directorates (CDIDs), TRADOC Capability Managers (TCMs), and the Aviation Maneuver Battle Lab (AMBL) in the following task areas:

- Battle Lab Simulation Support
- Digital Instruction (CPOF, FBCB2, JCR)
- Capabilities Development
- Combat Capabilities Developments
- Doctrine Development
- Exercise/Scenario Development
- Force Modernization
- General Test & Evaluation
- Instructional/SME Support
- Interactive Multimedia Instruction (IMI)
- Lessons Learned Collection & Analysis
- Modeling & Simulations
- Programs of Instructions (POI) Development
- Training Development

For more information on this contract, see the [Maneuver Center of Excellence](#) website.
