

Joint Venture / Mentor-Protégé  
Partnership

Protégé & Managing Member

**Summit Technologies, Inc.** is a mentor partner with our Joint Venture, North Star Services Group (NSSG), in the OASIS+ **Total Small Business** program. NSSG is a registered SBA Mentor-Protégé, Joint Venture between Summit Federal Services, LLC, a HUBZone certified, Woman Owned Small Business (WOSB) and Summit Technologies, Inc. a Service-Disabled Veteran Owned Business (SDVOB). Based on 65 years of combined experience, this collaboration provides exceptional service and performance throughout the United States and overseas to both Government and commercial clients in the civil and defense industries. NSSG holds ISO certifications in Quality Management System (9001:2015), IT Service Management System (20000-1:2018), and Information System Security Program (27001:2013).

One Acquisition Solution for Integrated Services Plus (OASIS+) is a governmentwide contract program designed to meet government agencies' mission needs for a full range of service requirements that integrate multiple service disciplines and ancillary services and products. OASIS+ has been designated as a Best-in-Class (BIC) contract by the Office of Management and Budget making it a preferred governmentwide solution. This OASIS+ Total Small Business contract provides NSSG the ability to provide services under eight NAICS awarded in the **Management and Advisory** performance domain.
