

Summit TECHNOLOGIES

*Providing Superior Performance and Solutions
to Government and Industry Since 1992*

Summit Technologies, Inc. is a Service-Disabled Veteran-Owned Business (SDVOB) incorporated in 1992 and headquartered in Navarre, Florida. We have a 30-year track record of continuous growth and a solid reputation for providing successful solutions tailored to our commercial and government customers' requirements. Summit provides the superior business operations and program management required to successfully execute simultaneous large-scale, geographically dispersed, multiple-award, and cost reimbursement contracts. Summit also holds a government-approved accounting system and a government-accepted costing policy.
